

EX-841

FOUNDED 15+ Years Ago

- 51 employees
- 2024E Revenue: \$13M
- 44% Annual Revenue Growth in last 6 years
- 85% Retention Rate for all Clients and 100% for Top 40

The Company specializes in crafting strategic business solutions built on the Microsoft platform, including AI (Copilot). With a deep-rooted focus on client success, this Cloud Solutions Partner offers a range of services designed to optimize operations and drive growth. Core competencies include the implementation, integration, and optimization of Microsoft Dynamics 365 Customer Engagement applications.

The Company excels in leveraging the Microsoft Power Platform to create tailored solutions that address specific business challenges. Client industry expertise includes Information Technology, Manufacturing, Financial Services, Professional Services and Healthcare.

By combining low-code development capabilities with advanced analytics, the Company helps organizations streamline processes, automate tasks, and gain valuable insights. Through a comprehensive understanding of people, processes, and data, the firm delivers solutions that align with clients' strategic objectives and deliver measurable results.

RECURRING REVENUE

INVESTMENT CONSIDERATIONS

- Annual Revenue Growth During Last Six Years:** The Company showcases an impressive average annual revenue growth of 44% during the last six years. Coupled with a healthy adjusted EBITDA, the Company demonstrates a robust financial profile and significant growth potential.
- Microsoft Partner Status for Nine Years:** The Company is a proven Microsoft Partner with a consistent nine-year history of success. Since 2023, it has held the Solutions Partner Designation for Business Applications. Prior to that, the company achieved Microsoft Gold Partner status from 2020 to 2022, and Microsoft Silver Partner status from 2016 to 2019. This partner status is a testament to the Company's expertise and is earned by maintaining a substantial number of Microsoft-certified professionals and meeting rigorous performance standards.
- Implementation of EOS™ (Entrepreneurial Operating System):** The Company has been committed to constant improvement for the past five years through EOS™. This strategic framework has significantly enhanced the organization's vision, accountability, clarity, and efficiency. EOS serves as a differentiator, positioning the Company as a partner dedicated to growth and exceptional results.
- High Client and Employee Retention** The Company boasts exceptional client and employee retention rates. A remarkable 100% of its top 40 clients have maintained long-term partnerships. Additionally, employee retention stands at a strong 95%, with 100% of W-2 employees and 90% of full-time contractors remaining with the Company.
- Next Gen Leadership:** The owners have effectively delegated the management of client relations and delivery operations to its executive team, ensuring the Company's continued operations are independent of their direct involvement.
